P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §1.56, Applicant encloses an Information Disclosure Citation Form (PTO-1449) and copies of the non-U.S. documents (Documents AF and AG on PTO Form 1449). The dates these depicted devices were available is not due. They can be presumed to be prior art, but Applicant reserves the right to rebut this if later discovered evidence suggests not prior art.

It is respectfully requested that the cited documents be considered by the Examiner in the above-identified patent application and that the cited documents be made officially of record therein. It is further requested that a listing of the same appear on the face of any patent which may issue from this application.

This Information Disclosure Statement is being filed before receipt of the initial Office Action in the present application, and therefore it is believed that no fees are due under 37 C.F.R. Section 1.97(i).

Respectfully submitted,
